**IMPORTANT INVESTOR UPDATE – SCHEME WIND UP
TFS SANDALWOOD PROJECT 2010 (ARSN 142 774 132) (“SCHEME”)**

We refer to our update dated 12 March 2024, notifying that the Supreme Court of Western Australia has made orders relating to the winding up of the managed investment schemes referenced in the orders.

A copy of the Court orders dated 12 and 14 March 2024 are enclosed (**Orders**).

Winding Up Process

The Orders direct Sandalwood Properties Ltd (**SPL**), as Responsible Entity, to wind up the Scheme.

SPL has commenced the winding up and has lodged the required notices with the Australian Securities and Investments Commission (ASIC).

The Constitution of the Scheme sets out the process which SPL is required to follow during the winding up process, in particular:

1. SPL must convert to money all Project Property, deduct all fees, expenses, costs and any other money in accordance with the Constitution and the *Corporations Act 2001* (Cth) (**Corporations Act**) and then divide the balance amongst the Growers according to each Grower’s Proportional Interest (clause 6.3(b)); and
2. SPL must proceed with the winding up efficiently, diligently and without undue delay (clause 6.3(c)).

Project Property

There is no Project Property applicable to this Scheme.

Quintis Leasing and Disclaimer of Head Leases

Your Scheme includes land that is owned by a third party and which is leased to Quintis Leasing Pty Ltd.

Quintis Leasing Pty Ltd went into liquidation on 6 March 2024. As part of the liquidation process, the liquidators will shortly issue notices under s.568 of the Corporations Act disclaiming those head leases (to the extent that they have not already done so). In effect, the disclaimer of a lease will mean that the lease is taken to be terminated. When the head leases are terminated, in effect, the subleases (including any sublease under the Scheme’s Lease and Management Agreements) will also terminate and all of the right, title and interest in the trees on the land passes to the land owner.

Termination of Lease and Management Agreements

Clause 6.5 of the Constitution for the Scheme provides that during the winding up of the Scheme, SPL may terminate any other agreements or arrangements it has entered into with the Growers which relate to the Scheme. SPL must give notice to the Growers of the termination of those agreements or arrangements.

We **enclose** the formal notice to you terminating the Lease and Management Agreement.
