### **3.1 Obligations**

- (a) Notwithstanding any other provision of this document, each party acknowledges and agrees that:
  - (i) the Receivers and the Liquidators are each entering into and performing this document in their capacity as, respectively, joint and several receivers and managers and joint and several liquidators of SPL and QLPL only and are not contracting in their personal capacities;
  - (ii) neither the Receivers nor the Liquidators make any representation or warranties in relation to any matter;
  - (iii) any representations or warranties implied by law are excluded to the maximum extent permissible by law;
  - (iv) any liability of the Receivers or the Liquidators under or in connection with this Contract, and the amount which any party may seek to recover from any of them, is limited to the extent of the amount for which the Receivers or the Liquidators (as appropriate) are actually indemnified for that liability out of QLPL's and SPL's respective assets at law or in equity, including any amount for which the Receivers or the Liquidators are indemnified under any applicable insurance policy (together the "**Indemnity Assets**");

- (v) if the extent of the amount for which the Receivers or the Liquidators (as appropriate) are actually indemnified in respect of any liability incurred under or in connection with this document is insufficient to satisfy in full that liability, each party to this document:
  - (A) waives its rights and forever releases, and discharges the Receivers or the Liquidators (as appropriate) from all residual liability under or in connection with this agreement; and
  - (B) covenants not to make any claim, notice, demand, action, proceeding, litigation, investigation or judgment however arising, whether present or future, actual or contingent, and whether involving a third party or a party to this document ("**Claim**") or seek to recover any shortfall against the Receivers or the Liquidators (as appropriate), including by bringing proceedings against the Receivers or the Liquidators (as appropriate);
- (vi) no party to this document may seek to have a liability of the Receivers or the Liquidators (as appropriate) satisfied out of any assets of the Receivers or the Liquidators (as appropriate) other than the Indemnity Assets;
- (vii) neither the Receivers nor the Liquidators are liable for, and do not accept or assume any liability for, any loss, liability, cost, expense (including legal costs on a full indemnity basis), Claim, proceeding, action, demand or damage to any party (or any related entities or representatives of a party) to this document in respect of this document or the transactions contemplated by this document except to the extent that the Receivers or the Liquidators (as appropriate) are indemnified for such liability by the Indemnity Assets;
- (viii) no Claim may be brought against the Receivers or the Liquidators (as appropriate), in respect of, or incidental to, this document or any document, matter or thing relating to it, seeking relief or orders that is inconsistent with the limitations provided for in this clause 3; and
- (ix) the limitations of liability in this clause 3:
  - (A) will continue notwithstanding the Receivers ceasing to act as receivers and managers of either of SPL or QLPL (as appropriate);
  - (B) will continue notwithstanding the Liquidators ceasing to act as liquidators of either of SPL or QLPL (as appropriate);
  - (C) will, to the relevant extent, operate as a waiver of any claims in tort and restitution as well as under the law of contract; and
  - (D) will be in addition to, and not in substitution for, any right of indemnity or relief otherwise available to the Receivers or the Liquidators (as appropriate) and will continue notwithstanding the entry into any transaction or arrangement in connection with this document;
- (b) Notwithstanding the provision of this clause, the Receivers and the Liquidators are each liable and are not released to the extent that a liability under or in connection with this document arises out of their own fraud or wilful misconduct that disentitles

them from indemnity out of the relevant Indemnity Assets in relation to the relevant liability.

- (c) For the purposes of any acknowledgements or agreements as to, or provisions of limitations of the liability of the Receivers or the Liquidators in this clause, references to:
- (i) Receivers where the context so permits shall mean and include their present and future firm or firms, partners and employees, and any legal entity or partnership using in its name the word "FTI", any successor or merged firm and the partners, shareholders, officers, employees of any such entity or partnership; and

## **3 Limitations of Liability**

### **3.1 Obligations**

- (a) Notwithstanding any other provision of this document, each party acknowledges and agrees that:
  - (i) the Receivers and the Liquidators are each entering into and performing this document in their capacity as, respectively, joint and several receivers and managers and joint and several liquidators of SPL and QLPL only and are not contracting in their personal capacities;
  - (ii) neither the Receivers nor the Liquidators make any representation or warranties in relation to any matter;
  - (iii) any representations or warranties implied by law are excluded to the maximum extent permissible by law;

- (iv) any liability of the Receivers or the Liquidators under or in connection with this Contract, and the amount which any party may seek to recover from any of them, is limited to the extent of the amount for which the Receivers or the Liquidators (as appropriate) are actually indemnified for that liability out of QLPL's and SPL's respective assets at law or in equity, including any amount for which the Receivers or the Liquidators are indemnified under any applicable insurance policy (together the "**Indemnity Assets**");
- (v) if the extent of the amount for which the Receivers or the Liquidators (as appropriate) are actually indemnified in respect of any liability incurred under or in connection with this document is insufficient to satisfy in full that liability, each party to this document:
- (A) waives its rights and forever releases, and discharges the Receivers or the Liquidators (as appropriate) from all residual liability under or in connection with this agreement; and
  - (B) covenants not to make any claim, notice, demand, action, proceeding, litigation, investigation or judgment however arising, whether present or future, actual or contingent, and whether involving a third party or a party to this document ("**Claim**") or seek to recover any shortfall against the Receivers or the Liquidators (as appropriate), including by bringing proceedings against the Receivers or the Liquidators (as appropriate);
- (vi) no party to this document may seek to have a liability of the Receivers or the Liquidators (as appropriate) satisfied out of any assets of the Receivers or the Liquidators (as appropriate) other than the Indemnity Assets;
- (vii) neither the Receivers nor the Liquidators are liable for, and do not accept or assume any liability for, any loss, liability, cost, expense (including legal costs on a full indemnity basis), Claim, proceeding, action, demand or damage to any party (or any related entities or representatives of a party) to this document in respect of this document or the transactions contemplated by this document except to the extent that the Receivers or the Liquidators (as appropriate) are indemnified for such liability by the Indemnity Assets;
- (viii) no Claim may be brought against the Receivers or the Liquidators (as appropriate), in respect of, or incidental to, this document or any document, matter or thing relating to it, seeking relief or orders that is inconsistent with the limitations provided for in this clause 3; and
- (ix) the limitations of liability in this clause 3:
- (A) will continue notwithstanding the Receivers ceasing to act as receivers and managers of either of SPL or QLPL (as appropriate);
  - (B) will continue notwithstanding the Liquidators ceasing to act as liquidators of either of SPL or QLPL (as appropriate);
  - (C) will, to the relevant extent, operate as a waiver of any claims in tort and restitution as well as under the law of contract; and
  - (D) will be in addition to, and not in substitution for, any right of indemnity or relief otherwise available to the Receivers or the

Liquidators (as appropriate) and will continue notwithstanding the entry into any transaction or arrangement in connection with this document;

- (b) Notwithstanding the provision of this clause, the Receivers and the Liquidators are each liable and are not released to the extent that a liability under or in connection with this document arises out of their own fraud or wilful misconduct that disentitles them from indemnity out of the relevant Indemnity Assets in relation to the relevant liability.
- (c) For the purposes of any acknowledgements or agreements as to, or provisions of limitations of the liability of the Receivers or the Liquidators in this clause, references to:
  - (i) Receivers where the context so permits shall mean and include their present and future firm or firms, partners and employees, and any legal entity or partnership using in its name the word "FTI", any successor or merged firm and the partners, shareholders, officers, employees of any such entity or partnership; and

## **5 GST**

### **5.1 GST gross-up**

If a party (the **supplier**) is required to pay GST in respect of a supply made under or in connection with (including by reason of a breach of) this document, the recipient of the supply must (in addition to any other payment for, or in connection with, the supply) pay to the supplier an amount equal to such GST (**GST gross-up**).

### **5.2 GST Invoice**

If a GST gross-up is payable, then the supplier must give the recipient a tax invoice for the supply.

### **5.3 Payment**

Provided a tax invoice has been given, the GST gross-up must be paid by the recipient:

- (a) if any monetary consideration is payable for the supply, at the same time and in the same manner as such monetary consideration;
- (b) if no monetary consideration is payable for the supply, within 10 Business Days after the day on which the tax invoice is given.

### **5.4 Reimbursements**

If any payment to be made to a party under or in connection with this document is a reimbursement or indemnification of an expense or other liability incurred or to be incurred by that party, then the amount of the payment must be reduced by the amount of any input tax credit to which that party is entitled for that expense or other liability, such reduction to be effected before any increase in accordance with clause 5.1.

### **5.5 Adjustments**

If an adjustment event has occurred in respect of a supply made under or in connection with this document, any party that becomes aware of the occurrence of that adjustment event must notify the other party as soon as practicable, and the parties agree to take whatever steps are

necessary (including to issue an adjustment note), and to make whatever adjustments are required, to ensure that any GST or additional GST on that supply, or any refund of GST (or part thereof), is paid no later than 20 Business Days after the supplier first becomes aware that the adjustment event has occurred.

- (c) In this document, all references to payments and obligations to make payments, including all references to compensation (including by way of reimbursement or indemnity), are, but for the operation of this clause, exclusive of GST.

## **6 General**

### **6.1 Entire agreement**

This document, the Surrender Forms and if applicable the Consent Documents embody the entire agreement between the parties in respect of its subject matter.

### **6.2 Variation**

This document can only be varied by a document signed by all of the parties.

### **6.3 Further acts**

Each party must, at its own expense, do all things (including the execution and delivery of documents) required by Law or reasonably requested by another party to give effect to this document and the transactions contemplated by it.

### **6.4 No assignment**

None of the parties may assign any of its rights under this document.

### **6.5 Exercise of rights**

A party may exercise a right or a remedy, or give or withhold a consent, waiver or approval, in its absolute discretion (including by imposing conditions), unless this document expressly provides otherwise.

### **6.6 Waiver**

A party is only bound by a waiver that it gives or confirms in writing. A waiver is limited to the specific instance to which it relates and to the specific purpose for which it is given. No other conduct of a party (including a failure to exercise, or delay in exercising, a right) operates as a waiver of a right or otherwise prevents the exercise of a right.

### **6.7 Severance**

If a provision of this document would, but for this clause 6.7, be void, unenforceable or illegal in a jurisdiction:

- (a) the provision is read down to the extent necessary to avoid that result; and
- (b) if the provision cannot be read down, to that extent, it is severed in that jurisdiction,

without affecting the validity and enforceability of that provision in any other jurisdiction or any other provisions of this document. This clause 6.7 has no effect if its operation alters the basic nature of this document or is contrary to public policy.

**6.8 Remedies cumulative**

The rights and remedies provided in this document are in addition to other rights and remedies given by law independently of this document, unless this document expressly provides otherwise.

**6.9 Governing law and jurisdiction**

- (a) The interpretation and construction of this document is to be governed and determined in accordance with the Law of the State of Queensland.
- (b) Each party irrevocably submits to the non-exclusive jurisdiction of the courts of the State of Queensland, and the Commonwealth courts having jurisdiction in that place and waives any right to object to proceedings being brought in those courts on the basis that proceedings have been brought in an inconvenient forum.

**6.10 Electronic Execution**

- (a) This document is properly executed if each party executes either this document or an identical counterpart of this document.
- (b) Each party agrees that a party may execute this document using an electronic signature, which will be considered an original signature for all purposes and will have the same force and effect as an original signature. The "electronic signature" includes a signature using an electronic signing platform (such as DocuSign or an electronically scanned and transmitted copy of an original signature (such as pdf)).

**6.11 Inconsistency with Leases and Subleases**

If there is any inconsistency between the Leases or Subleases and this document, this document prevails.

**6.12 Statements**

A notice by the Receivers stating any amount payable or determined or any other thing to be done or not done under this document is sufficient evidence of that fact unless manifestly wrong.
